CONSTITUTION AND PROCEDURE

BARBADOS

A Bill entitled

An Act to make provision for a prohibition on the importation, manufacture, retail of certain disposable plastics, authorise the use of certain types of disposable plastics and provide for related matters.

ENACTED by the Parliament of Barbados as follows:

Short title

1. This Act may be cited as the *Control of Disposable Plastics Act, 2019*.

Definitions

2. For the purposes of this Act,

“exempted plastic bag” means a plastic bag listed in the *First Schedule*;

“environmentally sustainable” means a material that is made from a biological based resource and that is compostable in a facility or garden;

“Minister” means the Minister responsible for Maritime Affairs and the Blue Economy;

“plastic” means a synthetic material that is made of a range of polymers;

“petro-based plastic bag” means a bag made of a petroleum based resin;

“single use plastic containers” means any of the following disposable containers made of plastic or polystyrene:

(a) cups;

(b) food containers;

(c) egg trays;

(d) plates; or

(e) polystyrene containers used in the culinary retail industry;

“single use plastic cutlery” means petroleum based plastic cutlery of a disposable nature and includes beverage stirrers and straws composed of petroleum based resins.

Application

3. The provisions of this Act shall not apply to any plastic beverage container referred to in the *Returnable Containers Act*, Cap. 395A.

Prohibition

4.(1) With effect from the 1st day of April, 2019 no person shall import

(a) single use plastic containers;

(b) single use plastic cutlery.

(2) With effect from the 1st day of July, 2019 no person shall distribute, offer for sale, sell or use

(a) single use plastic containers;

(b) single use plastic cutlery.

(3) A person who contravenes subsection (1) or (2) is guilty of an offence and is liable on summary conviction to a fine of \$50 000 or to imprisonment for a term of one year or to both and in the case of a continuing offence, to a further fine of \$1 000 for each day or part thereof, during which the offence continues after which a conviction is first obtained.

Prohibition on importation or manufacture of petro-based plastic bags

5. Subject to section 6, with effect from the 1st day of January, 2020 no person shall import or manufacture any petro-based plastic bag.

Exemption for certain plastic bags, plastic wraps or disposable polystyrene containers

6. A person may manufacture, import, distribute, offer for sale, sell or use any petro-based plastic bag, plastic wrap or polystyrene container which is required for a purpose specified in the *First Schedule*.

Licence for the importation

7.(1) With effect from the 1st of July, 2019 no person shall import, sell or use any single use plastic container or any single use plastic cutlery that is labelled or marketed as “environmentally sustainable” unless that person has first applied for and obtained a licence under this Act.

(2) An application for a licence made pursuant to subsection (1) shall be in the form set out in the *Second Schedule* and shall be accompanied by the licence fee set out in the *Third Schedule*.

(3) The Minister may, on receipt of an application made pursuant to subsection (1) and after consultation with the Barbados National Standards Institute, grant a licence for the importation of any single use plastic container or single use plastic cutlery referred to in subsection (1).

(4) A licence granted pursuant to subsection (3) shall be in the form set out in the *Fourth Schedule* and is not transferable.

(5) Any person who contravenes subsection (1) is guilty of an offence and is liable on summary conviction to a fine of \$50 000 or to imprisonment for a term of one year or to both and in the case of a continuing offence, to a further fine of \$1 000 for each day or part thereof, during which the offence continues after which a conviction is first obtained.

Standards issued by Barbados National Standards Institute

8. The Barbados National Standards Institute shall issue standards that govern the importation of single use plastic containers or single use plastic cutlery that are “environmentally sustainable”.

Offence of misrepresentation

9.(1) A person who makes a false or misleading claim or statement and represents that the single use plastic containers or single use plastic cutlery that

are imported or offered for sale by him are “environmentally sustainable” is guilty of an offence.

(2) A manufacturer, wholesaler or retailer who makes a false or misleading claim or statement and represents that the single use plastic containers or single use plastic cutlery imported, offered for sale, manufactured or distributed by him are “environmentally sustainable” is guilty of an offence.

(3) A person who contravenes subsection (1) or (2) is liable on summary conviction to a fine of \$50 000 or to imprisonment for a term of one year or to both, and in the case of a continuing offence to a further fine of \$1 000 for each day or part thereof during which the offence continues after which a conviction is first obtained.

Committee

10.(1) There is established a Committee to

- (a) address, monitor and develop plastic pollution prevention programmes; and
- (b) formulate and implement strategies and programmes to educate the public on the pollution created by plastics.

(2) The *Fifth Schedule* has effect with respect to the constitution and procedure of the Committee.

Schedules

11. The Minister may, by order, amend the *Schedules*.

Regulations

12. The Minister may make regulations

- (a) for the conservation, management and protection of the environment from pollution by plastics;
- (b) for prescribing any required fees and forms; or

(c) for giving effect to the purposes and provisions of this Act.

Commencement
