PART II

FISCAL RESPONSIBILITY

Fiscal Responsibility Principles

5.(1) The Government shall comply with the following fiscal responsibility principles:

- (a) achieving and maintaining a prudent level of public debt;
- (b) managing fiscal risks in a prudent manner; and
- (c) pursuing macro-economic stability, inclusive growth and inter-generational equity.

(2) The Government shall set measurable fiscal objectives for the fiscal responsibility principles and shall report on the achievement of the fiscal objectives to Parliament and the public as required by this Act.

(3) The Government shall use revenue in excess of Estimates in the execution of the Annual Budget to reduce debt and shall not use such revenues for additional expenditure unless appropriated by Parliament under section 24.

Fiscal Framework

6.(1) The Ministry responsible for Finance shall prepare a document to be known as the “Fiscal Framework” which shall review the performance of the previous financial year against the fiscal objectives, present a macro-economic outlook, and set out the fiscal objectives and policies for the medium term.

(2) The Fiscal Framework shall include the information and statements set out in the *Third Schedule*.

(3) The Minister responsible for Finance shall provide the Fiscal Framework to the Cabinet for approval no later than 31st July of the year preceding the Annual Budget.

(4) The Fiscal Framework shall be laid in Parliament for information by the Minister responsible for Finance no later than 15th August of the year preceding the Annual Budget.

(5) The Fiscal Framework shall be debated in Parliament and any recommendations in respect of the Fiscal Framework shall be considered by the Cabinet.

(6) The Cabinet shall not be required to make changes recommended pursuant to subsection (5) subject to subsection (6).

(7) The Minister responsible for Finance shall have laid in Parliament an explanation of why the Government is not adopting part or all of the recommendations made under subsection (5) no later than 21 days after making the Cabinet decision on the recommendations.

- (8) The Director of Finance shall publish
- (a) the Fiscal Framework on an official website of the Government on the day the Fiscal Framework is laid in Parliament and shall make the Fiscal Framework available to the public in printed form as soon as practicable; and
 - (b) the recommendations of Parliament on the Fiscal Framework and the response of the Government on an official website of the Government no later than 3 weeks after the day the document containing the response of the Government is laid in Parliament.
 - (c) any changes made to the Fiscal Framework in response to the recommendations of Parliament on an official website of the Government no later than 3 weeks after the changes are agreed to by the Cabinet.

Mid-Year Review Report and Annual Report

- 7.(1) The Ministry responsible for Finance shall include information on progress against the Fiscal Framework in a Mid-Year Review Report as specified in the *Fourth Schedule* by 15th October each year.
- (2) The Ministry responsible for Finance shall include information on progress against the Fiscal Framework in the Annual Report of the Performance of Government specified in *Fifth Schedule*.

Pre-election Economic and Fiscal Update Report

- 8.(1) The Ministry responsible for Finance shall, not earlier than Nomination Day and no later than 5 working days after Nomination Day, arrange to be published on an official website of the Government, a Pre-election Economic and Fiscal Update Report which shall include the information and statements specified in *Sixth Schedule*.
- (2) Nothing in this section shall affect the setting of the polling date for the election.

Deviation from fiscal objectives

9. The Government may deviate from the fiscal objectives stated in the Fiscal Framework on a temporary basis, where that deviation is due to a significant unforeseeable event that cannot be accommodated through the use of other measures provided for in this Act or prudent fiscal policy adjustments.

PART III

- (g) preparing the Financial Statements and any other financial statements or reports required by the Minister responsible for Finance or the Director of Finance;
- (h) verifying that payments are processed in accordance with this Act and refusing payment on any invoice which is incorrect or insufficient in content, or which contravenes this Act or any other Act, or that is, in

his opinion, in any other way unacceptable in support of a charge on public monies;

- (i) ensuring payments are processed within the agreed contractual time for payment;
 - (j) ensuring in any instance of having less cash available than necessary to meet all payments due, payments are made in accordance with protections and priorities in the law;
 - (k) ensuring every Public Entity adopts a proper system of accounts and all money received and paid by the Government is brought promptly and properly to account;
 - (l) reporting to the Director of Finance in writing, any apparent defect in the control of revenue, expenditure, or money, or any breach or contravention of this Act or any other enactment, by a Public Entity, Commercial State-Owned Enterprise or service that may come to, or be brought to, his notice;
 - (m) exercising supervision over the receipt of revenue and securing its punctual collection, except where those responsibilities are by law assigned to the Barbados Revenue Authority or other public officer or public office holder;
 - (n) such responsibilities as are assigned to him under an enactment or administrative authority.
- (2) The Accountant-General
- (a) shall enforce the accounting standards for the Government including for Public Entities;
 - (b) shall at all times have access to all Public Entities or places where accounting for services take place or accounting records are kept;
 - (c) may require access to records and require any information, records or explanations from a public officer or public office holder or former

public officer or public office holder, necessary for the performance of the responsibilities of the Accountant-General;

- (d) may examine and report to the Director of Finance on the financial and accounting operations of a Public Entity;
 - (e) may provide accounting and other services in connection with the financial management of a Public Entity;
 - (f) may station a person employed in the Ministry responsible for Finance or engaged by the Ministry responsible for Finance in any Public Entity or place where accounting for a Public Entity takes place when the Accountant-General considers it necessary to discharge his responsibilities; and
 - (g) within his area of responsibility and his powers, may issue instructions in writing to Chief Executive Officers of Public Entities and to persons to whom Chief Executive Officers have delegated their responsibilities under this Act.
- (3) In conducting an audit or examination or carrying out any responsibility under this Act or any other enactment, the Accountant-General may
- (a) summon and examine upon oath, declaration or affirmation a person with respect to any matter related to the audit, examination or other responsibility; and
 - (b) require a person to produce any records or information with respect to any matter related to the audit, examination or other responsibility.
- (4) A person summoned under subsection (3)(a) who without reasonable excuse fails to obey the summons is guilty of an offence and is liable on summary conviction to a fine of \$5 000 or to imprisonment for a term of 12 months or to both.
- (5) A person who refuses to produce any records or information as required under subsection (3)(b) is guilty of an offence and is liable on summary

conviction to a fine of \$5 000 or to imprisonment for a term of 12 months or to both.

(6) The Accountant-General may delegate to a public officer or public office holder any of his responsibilities or powers, other than the power under subsection (2)(g).

(7) The Accountant-General and any delegate shall be accountable for discharging his responsibilities and exercising his powers under this Act and any other enactment in relation to financial administration with diligence and honesty and is subject to discipline under the applicable enactment for failing to do so.

(8) For the purposes of subsection (1)(a) “generally accepted accounting practice” means

- (a) the International Public Sector Accounting Standards issued by the International Federation of Accountants;
- (b) where no guidance is provided by the Standards mentioned in paragraph (a), the Accounting Standards issued by the International Accounting Standards Board; or
- (c) where no guidance is provided by the Standards specified in paragraph (a) or (b), accounting practice that is generally accepted within the accounting profession in Barbados as appropriate for reporting by the public sector including statutory bodies.

Role of a Chief Executive Officer

15.(1) A Chief Executive Officer shall manage the assets and liabilities of the Public Entity or Commercial State-Owned Enterprise

- (a) in accordance with this Act and any other relevant enactment; and
- (b) to achieve the performance required in the Annual Budget and the approved Annual Plan, and for a Commercial State-Owned Enterprise, the approved Statement of Corporate Intent and the Annual Plan.

- (2) A Chief Executive Officer shall be responsible for
 - (a) the prompt collection and receipt of the revenue of the entity;
 - (b) the control of, and accurate and timely accounting and reporting for, expenditure, revenues, assets and liabilities of the entity; and
 - (c) the control of, and accurate and timely accounting and reporting for, public money and all other money and property received by or controlled by or in the custody of the entity, in accordance with this Act and any other relevant enactment.
- (3) A Chief Executive Officer shall ensure that the plans, budgets and reports are provided as required by this Act.
- (4) A Chief Executive Officer is not absolved of responsibilities by reason of the proper discharge by the Accountant-General or the Auditor-General of his responsibilities such as the acceptance for deposit of money by the Accountant-General or by reason of the auditing of the accounts by the Auditor-General.
- (5) A Chief Executive Officer and any delegate is accountable for discharging his responsibilities under this Act or rules made under this Act and other relevant enactment, with diligence and honesty and is subject to discipline and other sanctions under the applicable enactment for failing to do so.

Responsibilities of a public officer and a public office holder

16. A public officer or public office holder who in the discharge of his responsibilities as a public officer or public office holder, comes into the possession or control of

- (a) public money that he knows or has reason to believe is intended to be paid to or received by the Government;
- (b) securities that are Government property and that are intended to be placed on deposit with or entrusted to the Government; or
- (c) electronic instruments relating to money or property that are intended to be controlled by the Government,

shall without delay deliver the money, securities, or control of the electronic instruments relating to money or property, to the public officer responsible for them or to the Accountant-General.

Representations to the Minister

17.(1) An accounting officer of a department shall, in writing, promptly make a representation to a Minister in respect of a decision of the Minister that relates to the financial administration of the department where the accounting officer disagrees with the decision and the accounting officer

- (a) is unable to defend the decision as a prudent financial administrative decision; or
- (b) regards the decision as inconsistent with his obligation to ensure that the financial administration of the department is carried out
 - (i) to avoid waste of moneys;
 - (ii) with propriety.

(2) Subject to subsection (1), the accounting officer shall, in the representation, state the decision of the Minister with which he disagrees and the reasons for the disagreement.

(3) Notwithstanding subsection (2), where the Minister adheres to his decision, the Minister shall, in writing, communicate his adherence to the accounting officer and the accounting officer shall carry the decision into effect.

Liability for funds

18.(1) Notwithstanding section 17, where an accounting officer of a department objects to a decision of a Minister that relates to the financial administration of the department and the objection involves the liability of the

accounting officer for moneys of the department or the regularity or propriety of payment of moneys of the Government, the accounting officer shall

- (a) state in writing the
 - (i) decision of the Minister;
 - (ii) objection to the decision; and
 - (iii) reasons for the objection;
- (b) only authorise payment of moneys of the Government or make a payment of moneys of the Government where the Minister overrules the objection.

(2) Where a payment is made under subsection (1)(b), the accounting officer shall immediately

- (a) inform the Director of Finance and the Accountant-General, in writing, of the circumstances of the payment; and
- (b) forward the documentation that relates to the payment to the Auditor-General.

(3) Notwithstanding subsection (1)(b) and subsection (2), where loss, wastage or improper use of moneys of the Government occurs as a result of the decision of the Minister, the Minister is liable for the loss, wastage or improper use of the moneys of the Government.

PART IV

ANNUAL BUDGET AND AUTHORISATION OF EXPENDITURE

Annual Budget

19.(1) The Annual Budget shall contain revenue, financing and expenditure Estimates and annexes including the information set out in the *Seventh Schedule*.

Loans by the Government to be authorized by Parliament

49.(1) The Government shall not lend public money to any person, Government entity, private sector entity or any other entity unless authorized by an Act or a resolution of Parliament.

(2) The Government shall not request a resolution of Parliament to authorize a loan from the Government to a person, or Government entity, private sector entity or other Government or any other entity unless the loan is

- (a) to meet a legal obligation; or
- (b) required in order to properly perform a function of Government; and
- (c) for a loan over the value of \$100 000.

Appropriation Necessary for Lending

50. Any lending under section 49 shall be made from an Appropriation.

Investment in a Government Entity

51.(1) Subject to the provisions of any other enactment and consistent with the Medium-Term Financial Asset Management Strategy, the Minister responsible for Finance may invest money by way of capital injection in a Government entity only by way of a capital contribution appropriated by Parliament.

(2) All shares held in an entity by the Government shall be held in the name of "the Government of Barbados".

(3) All rights and powers attaching to the shares in a Government entity, including the power of sale or disposition, held by the Government shall be exercised by the Government in accordance with the Laws of Barbados.

Loans to be Secured

52. A loan given by the Government to a person, Government entity, private sector entity, other Government, or any other entity shall be secured by way of a loan agreement and a debenture mortgage or other suitable instrument depending on the circumstances of the loan.

Liability Management

Liability Management

53.(1) The Minister responsible for Finance shall present a Medium-Term Debt Management Strategy with the Annual Budget to Parliament.

(2) The Medium-term Debt Management Strategy shall be consistent with the fiscal responsibility principles set out in section 5.

(3) The Minister responsible for Finance shall ensure the financing needs of the Government are met and payment obligations are made, at the lowest possible cost over the medium term to the long term with a prudent degree of risk.

Authority to Borrow and Guarantee

54.(1) No money shall be raised on the credit of the Government to be guaranteed by the Government except under the authority of an Act or of a resolution of Parliament and any such resolution shall be made prior to the loan being contracted or a guarantee granted.

(2) Notwithstanding any other enactment, it shall not be lawful for the Government, a Public Entity, or a Commercial State-Owned Enterprise to borrow from, or to give a Government guarantee to, any person, entity, or other Government entity, unless the Minister responsible for Finance has approved such borrowing or guarantee in writing and the requirements of this Act are complied with.

(3) A loan or guarantee that contravenes this Act shall be null and void.

Borrowing for Current Requirements

55.(1) The Minister responsible for Finance may in a Financial Year, when authorised by resolution of Parliament, for the purpose of meeting current requirements, borrow money from a bank or other financial institution by means of temporary advances, overdraft, treasury bills or other similar means subject to this Act or rules made under this Act and other relevant enactments.

(2) Where the Minister responsible for Finance, in a Financial Year, when authorised by resolution of Parliament, for the purpose of meeting current requirements, borrows money from the Central Bank of Barbados by means of temporary advances the amount shall not exceed 7.5 per centum of the net receipts of the estimated revenue of the Government for that financial year.

(3) The Minister responsible for Finance shall ensure that any borrowing pursuant to this section is consistent with the Fiscal Responsibility Principles

pursuant to section 5, the Fiscal Framework pursuant section 6 and the Annual Budget pursuant to section 19.

(4) Subject to subsection (1), no Government bank account shall be overdrawn nor any temporary advance obtained from a bank unless authorized by a resolution in Parliament.

(5) The interest of all advances referred to in this section shall be charged on the Consolidated Fund.

Borrowing for Non-current Requirements

56.(1) The Minister responsible for Finance shall determine how money is to be raised for non-current requirements having regard to the Medium-Term Debt Strategy.

(2) Where the money is to be raised by the issue and sale of Government Securities, the Minister responsible for Finance may determine, having regard to the Medium-Term Debt Strategy any matter with respect thereto, including, but not limited to

- (a) the principal amount of the Government Securities to be issued;
- (b) the rate of interest payable and the rate of any premium or discount applicable to the Government Securities;
- (c) the currency in which the principal amount of the Government Securities and any interest or premium are payable;
- (d) the sale price of the Government Securities;
- (e) the form, denomination and dates of issue and maturity of the Government Securities; and
- (f) any other terms and conditions of the Government Securities.

(3) When raising money by the issue and sale of Government Securities, the Minister responsible for Finance shall satisfy any jurisdiction with respect to the

offer, issue, sale and trade of securities and other transactions relating to securities in the jurisdiction, including, without limitation

- (a) the preparation, approval, filing or delivery of a prospectus or other document or any amendment or supplement to any of them;
- (b) the registration, qualification or exemption from registration or qualification of the Government under the laws of the jurisdiction regarding the offer, issue, sale or trade of Securities;
- (c) the listing and trading of securities on a stock exchange;
- (d) the disclosure of financial and other information;
- (e) entering into agreements with respect to the offer, issue, sale or trade of Securities or other transactions relating to Securities including underwriting and similar agreements;
- (f) providing for the establishment and operation of Sinking Funds in relation to Government Securities; and
- (g) the execution of all documents and instruments in relation to matters described in this subsection.

Payment of Loan Moneys into Consolidated Fund

57. Notwithstanding any enactment to the contrary, any money raised by loan or by the sale of Government Securities shall be credited to the Consolidated Fund and paid into the Treasury Account.

Minister may change form of Public Debt

58.(1) Subject to subsection (2) and subject to the consent of the creditor holding the public debt or where the Minister responsible for Finance is entitled to do so, the Minister responsible for Finance may change the form of the public debt or part of the public debt.

(2) The Minister responsible for Finance shall not make a change in the form of the public debt or part of the public debt that has the effect of increasing the present value of the public debt except with the approval of Parliament.

Debt is a charge on the Consolidated Fund

59. Section 111 of the *Constitution* applies in relation to debt charges on the Consolidated Fund.

Guarantee that imposes a liability on the Government

60.(1) Except as expressly authorised by any enactment that is consistent with this Act, it shall not be lawful for any person to give a guarantee or indemnity that imposes a contingent liability on the Government.

(2) A guarantee shall

- (a) comply with this Act and any other enactment authorising the guarantee and where there is a conflict between this Act and any other enactment, this Act shall prevail;
- (b) be a formal guarantee and not a letter of comfort or other communication purporting to commit the Government to obligations in the nature of a guarantee that is inconsistent with this Act;
- (c) meet the criteria for guarantees specified in rules made under this Act;
- (d) comply with the fiscal responsibility principles in this Act, the fiscal objectives in the Fiscal Framework, and be consistent with the Medium-Term Debt Strategy; and
- (e) be authorized by a resolution of Parliament as required by section 54.

(3) The Government shall not be liable for any implied guarantees asserted by any individual or entity and shall only be liable for formal guarantees given in accordance with this Act.

(4) A resolution of Parliament referred to in this section shall be published in the *Official Gazette* no later than 2 weeks after making the resolution.

Payments are debts due to Government

61.(1) Any money paid by the Minister responsible for Finance pursuant to any guarantee, indemnity, or security given under this Act or any other Act and the expenses associated with the guarantee, indemnity, or security shall constitute a debt due to the Government from the public officer, public office holder, Public Entity, Commercial State-Owned Enterprise or individuals in respect of whom the guarantee, indemnity, or security was given, and shall be recoverable as such by standing instructions from the Minister responsible for Finance.

(2) Subject to the terms of the instrument authorizing the guarantee, indemnity or security, the debt shall be repaid over such period of time, and on such terms and conditions, as the Minister responsible for Finance specifies.

(3) A debt referred to in subsection (1) is recoverable in any court and may be paid over such period of time and on such terms and conditions as agreed by the Minister responsible for Finance.

Reporting

62.(1) In addition to the reporting required in this Act, the Minister responsible for Finance shall publish information in the Financial Statements of the Government describing the loans taken and guarantees given during that Financial Year.

(2) The Ministry responsible for Finance shall maintain memorandum accounts of the loans taken by the Government and shall arrange repayment in accordance with the legal obligations.

(3) The Ministry responsible for Finance shall ensure that the memorandum includes information on the principal, terms of repayment, amounts drawn, interest and service charges accrued, principal and interest paid, and the balance outstanding and shall make the memorandum available in a timely way to the Ministers and Parliament if requested.

(4) The Ministry responsible for Finance shall in addition to the information and reporting on loans and guarantees required in this section and other sections in this Act, provide a report at least every quarter to the Cabinet summarising the position with loans, guarantees and other liabilities.

(5) A Public Entity and a Commercial State-Owned Enterprise shall maintain records and provide reports to the Ministry responsible for Finance on loans, guarantees and other liabilities as required by rules made under section 132.

Internal Audit

Internal Audit Office

63.(1) There shall be a department of the Ministry responsible for Finance known as the Internal Audit Office which shall be responsible generally for conducting audits of Public Entities.

(2) The internal audit function shall operate in a manner consistent with International Auditing Standards to evaluate and improve risk management, control, and governance processes in relation to Public Entities.

Functions of the Internal Audit Office

64. The responsibilities of the Internal Audit Office shall include

- (a) publishing on an official website of the Government standards and procedures consistent with international standards for the conduct of internal audit activities;
- (b) preparing the Government level annual audit plan that shall provide coverage of major risks and exposures across Public Entities and State Owned Enterprises ;
- (c) assessing the risk management, control, and governance processes for Public Entities and State Owned Enterprises including whether
 - (i) risks are appropriately identified and managed;

- (ii) public moneys and assets are adequately safeguarded and used as intended;
 - (iii) financial and operating information is accurate, complete, reliable, and timely;
 - (iv) ethical standards and values are established and followed;
 - (v) applicable laws, policies, and procedures are complied with; and
 - (vi) resources are applied to achieve the strategic objectives of the entity and the Government;
- (d) providing assurance to the Chief Executive Officer that operations are being carried out economically, efficiently, effectively;
- (e) providing the Chief Executive Officer with professional and impartial opinions and advice on systems of risk management, control, and governance with recommendations concerning activities reviewed; and
- (f) monitoring and reporting on the implementation of recommendations arising from audit reports.

Director of Internal Audit

65.(1) The Internal Audit Office shall be managed by a Director of Internal Audit or other appropriate public officer designated by the Minister responsible for Finance.

(2) The Director of Internal Audit shall report for management purposes to the Director of Finance and for functional purposes to the Internal Audit Committee.

(3) The Director of Internal Audit shall manage the internal audit function of Public Entities having regard to the technical and professional advice of the Internal Audit Committee.

(4) The Director of Internal Audit and officers assigned to the Internal Audit Office of the Ministry responsible for Finance shall have access to

(a) the premises, property, information and records in any form of a Public Entity; and

(b) Public Officials and public officer holders,

to seek explanations necessary to conduct an audit.

(5) The Director of Internal Audit shall provide a copy of each audit report to the

(a) Director of Finance;

(b) Internal Audit Committee;

(c) Chief Executive Officer of the Public Entity audited; and

(d) Auditor-General.

(6) The Director of Finance shall, where he determines to be necessary, direct the establishment of internal audit offices within Public Entities.

Internal audit offices in Public Entities

66. Where a Public entity has an internal audit office, that Public Entity shall submit a copy of the internal audit report of that entity to the

(a) Director of Finance;

(b) Internal Audit Committee; and

(c) Auditor-General

when requested to do so by the Director of Finance.

Internal Audit Committee

67.(1) There shall be a Committee which shall be known as the “Internal Audit Committee”.

(2) The provisions of the *Eighth Schedule* have effect with respect to the constitution of the Committee and otherwise in relation thereto.

Duties of the Internal Audit Committee

- 68.** The Internal Audit Committee shall
- (a) review the work of the internal auditors of the Government;
 - (b) recommend and periodically review an internal audit charter for the Government for approval by the Director of Finance;
 - (c) provide advice to the Director of Finance on the sufficiency of resources of the Internal Audit Office in the Government;
 - (d) review and recommend for approval by the Director of Finance, an annual internal audit plan which shall include the resources for the Internal Audit Office, the scope of work, and planned activities;
 - (e) adopt standards consistent with international internal auditing standards and set requirements for the internal audit work in the Government including the content, timing and circulation of internal audit reports and shall communicate such standards and requirements to public officers and public office holders, including internal auditors;
 - (f) review and recommend for approval internal audit reports and corresponding management action plans to address recommendations;
 - (g) require public officers or public office holders to attend meetings to explain the reasons for deficiencies in internal audit reports and the plans and actions to correct such deficiencies;
 - (h) review reports on progress against the internal audit plan and requests from Permanent Secretaries, other Chief Executive Officers, public officers or public office holders for advice, audit of projects, fraud investigations or other assistance;
 - (i) assess and make recommendations to improve the performance of the internal auditors of the Government;

- (j) provide advice to the Director of Finance on the recruitment, appointment, and performance management of the Director of Internal Audit;
- (k) provide the Director of Internal Audit with direct access to the Internal Audit Committee; and
- (l) refer matters for consideration by the appropriate authorities including the Director of Public Prosecutions, Accountant-General, and the Police where the Internal Audit Committee has made a decision that a referral is necessary.

Internal Audit Standing Instructions

69. The Director of Finance may, after consulting with the Internal Audit Committee, issue standing instructions to Public Entities, State Owned Enterprises, or Commercial State-Owned Enterprises consistent with this Act.

Internal Audit Requirements of a Commercial State-Owned Enterprise

70. The board of directors of each Commercial State-Owned Enterprise shall be responsible for establishing and maintaining an internal audit function consistent with International Auditing Standards.

PART VI

AUDITOR-GENERAL

Duties of Auditor-General

71.(1) The Auditor-General is the auditor of the financial statements for the Government of Barbados.

- (2) The Auditor-General shall also
- (a) be responsible for the audit and inspection of all public accounts, whether such accounts are of general revenue credited to and expenditure met from the Consolidated Fund or of special funds or departmental accounts and statutory bodies which receive all or part of their funds from the Consolidated Fund;
 - (b) apply to the public accounts such an examination as will enable him to ascertain that in his opinion the accounts are kept on a proper system, that they are punctually and properly posted and that checks against irregularity and fraud are adequate and effective;
 - (c) prepare and deliver an audit opinion to the entity whose statements have been audited;
 - (d) satisfy himself that all standing instructions, enactments and other laws of Barbados relating to finance and accounts are strictly observed; and
 - (e) examine, and in accordance with the outcome of his examination report on, the several statements and accounts which are required to be submitted to him under this Act.
- (3) The Auditor-General may carry out examinations into the economical, efficient and effective use of resources of any Ministry or Department or any other entity required to be audited by him.
- (4) Subsection (3) shall not be construed as entitling the Auditor-General to review the merits of the policy objectives of Government in respect of any Ministry, Department or statutory body.
- (5) The Auditor-General may refer matters for consideration by the appropriate authorities including the Director of Public Prosecutions, Accountant-General, and the Police where the Auditor-General has made a decision that a referral is necessary.

Certification of Pensions

72. The Auditor-General shall examine the calculations and computations of all pensions and gratuities or similar awards before any award is made, and shall certify that they are arithmetically correct and are in accordance with all statutory provisions relating thereto.

Auditor-General's Report

73.(1) The Auditor-General shall report annually, as soon as possible and not later than the last day of December following the close of each financial year, the results of his examination of the accounts and any failure to observe the enactments or other laws of Barbados.

(2) Notwithstanding subsection (1), the Auditor-General may at any time, if it appears to him to be desirable, transmit to the House of Assembly a special report on any matter incidental to his powers and duties under this Act.

(3) The estimates of expenditure of the office of the Auditor-General shall be transmitted to the House of Assembly through the Public Accounts Committee; and the Public Accounts Committee shall consider the estimates in accordance with subsection (4).

(4) In considering the estimates of expenditure under subsection (3), the Public Accounts Committee shall ensure that the estimates of expenditure are adequate to enable the Auditor-General to fulfil the responsibilities of the office of Auditor-General, and for this purpose may make comments for the consideration of the Auditor-General, who shall consider the comments and, if necessary, revise the estimates of expenditure for re-submission to, and approval by, the Public Accounts Committee.

(5) Every report of the Auditor-General shall be addressed to the Speaker of the House of Assembly, who shall lay the report before the House of Assembly as soon as possible after the report is received by him.

(6) A copy of every report of the Auditor-General shall also be transmitted to the Senate for information.

Powers of Auditor General

74.(1) For the purpose of his examination under section 71(3), the Auditor-General is at all times entitled to

- (a) have access to all books, records, including data held or stored electronically, vouchers, payment requests, documents, returns, cash, stamps, securities, stores or other property in whatever form existing in the possession of the audited body; and every facility shall be given for carrying out the examination;
- (b) send for, and have custody of, any books, accounts, vouchers, payment requests, papers, data held or stored electronically or any other information in whatever form existing under the control of the audited body relating to the matter under examination, and to keep such books, accounts, vouchers, payment requests or papers for such time as he may require them;
- (c) call upon any officer for any explanation and information the Auditor-General may require in order to enable him to discharge his duties;
- (d) require any department concerned to furnish him from time to time or at regular periods with accounts of the transactions of such department up to the date as he may specify;
- (e) without payment of any fee, cause a search to be made in, and extracts to be taken from, any book, document or record in any public office;
- (f) summon and examine upon oath, declaration or affirmation (which oath, declaration or affirmation the Auditor-General is hereby empowered to administer) all persons whom he thinks fit to examine respecting
 - (i) the receipt or expenditure of money;

- (ii) the receipt or issue of any stores affected by this Act; and
- (iii) all other matters and things whatever necessary for the due performance of his functions;

and any person so summoned is upon production of a certificate of the Auditor-General entitled to payment for his attendance in accordance with the provisions of the *Witnesses and Interpreters (Payment) Act*, Cap. 119 as if he were a witness attending a legal proceeding in obedience to a summons issued at the instance of the Government; but the Auditor-General may, if he thinks fit in any case, disallow the whole or any part of such payment;

- (g) require every person employed in the office of the Auditor-General who has to examine the accounts of a department to comply with any security requirements applicable thereto, and to take any oath of secrecy required to be taken by persons employed in that department.

(2) Any person summoned under paragraph (f) of subsection (1) who without reasonable excuse fails to obey the summons is guilty of an offence and is liable on summary conviction to a fine of \$5 000 or to imprisonment for a term of 12 months.

Authorisation to perform duties

75.(1) The Auditor-General may authorise any officer in the office of the Auditor-General to perform on his behalf any of his functions under this Act or any other Act other than the administering of oaths and the certifying of and reporting on accounts for the House of Assembly.

- (2) Where it appears to the Auditor-General that
- (a) any irregularities have occurred in the collection, custody or expenditure of public moneys or in the accounting for the same;
 - (b) any irregularities have occurred in the receipt, custody, issue, sale, transfer or delivery of any stamps, securities, stores or other property of the Government or in the accounting for the same;

- (c) any loss of or damage to the property of the Government has not been duly reported to the Director of Finance,

the Auditor General shall immediately bring the matter to the notice of the accounting officer and, where the case is serious, report the circumstances to the Director of Finance.

Examination of accounts on request

76.(1) The Auditor-General shall, if required by

- (a) a resolution of the House of Assembly;
- (b) the Public Accounts Committee of Parliament; or
- (c) the Minister responsible for Finance,

examine the accounts of any person or organisation who has received moneys by way of a grant or a loan out of funds voted by Parliament or in respect of whom financial aid from the Government is sought.

(2) The Auditor-General submit a report on the results of the examination conducted pursuant to subsection (1) to the House of Assembly or to the Minister responsible for Finance.

(3) Where the Minister responsible for Finance fails within a reasonable time to present the report referred to in subsection (2) to the House of Assembly, the Auditor-General shall transmit the report to the Speaker of the House of Assembly to be presented by him to the House of Assembly.

Fees for auditing accounts

77.(1) The Auditor-General may, subject to approval by the Minister responsible for Finance, charge a fee for auditing the accounts of a person or body whose expenditure is not met from the Consolidated Fund.

(2) Any fees received by the Auditor-General under subsection (1) shall be credited to the Consolidated Fund.

Engagement of services by Auditor-General

78.(1) The Auditor-General may engage the services of professionally competent persons to assist in the conduct of audits, and payment for such services shall be charged on the Consolidated Fund.

(2) Where under subsection (1) the Auditor-General engages a private auditor to conduct the audit of a Government entity, the auditor of the entity shall make available all working papers and other documents to the Auditor-General.

Officers of the Audit Office

79. The Audit Office shall consist of the Auditor-General and such other officers and employees as are assigned to him.

PART VII

ACCOUNTS AND REPORTS

Accounts

Accounting Officers
