## **BARBADOS**

A Bill entitled

An Act to provide for the removal of tissue from the body of one person, whether living or deceased, for transplantation into the body of a living person and for related matters.

ENACTED by the Parliament of Barbados as follows:

PART I

PRELIMINARY

**Short title**

1. This Act may be cited as the *Human Tissue Transplant Act, 2026*.

**Interpretation**

2. In this Act,

“biofluid” means a human fluid and includes cerebrospinal fluid, urine, saliva, sweat and any other substance derived from the body;

“blood” means human blood and includes any product derived from such blood;

“cell” means a human cell taken from a tissue and includes any substance derived from scientific procedures involving cells as cell explant or cell line;

“cell explant” means a cell that is taken from a tissue and organotypically cultured using explant culture;

“cell line” means a cell culture developed from a single cell and therefore consisting of cells with a uniform genetic makeup that is specific to a given organ or disease state;

“Coroner” has the meaning assigned to it by the *Coroners Act, Cap. 113*;

“Council” means the National Transplantation Council established by section 4;

“designated transplant officer” means a person appointed under section 6;

“Director of Medical Services” means a person appointed as Director of Medical Services under section 9 of the *Queen Elizabeth Hospital Act, Cap. 54*;

“disability” has the meaning assigned to it by section 2 of the *Rights of Persons with Disabilities Act, 2025 (Act 2025-3)*;

“donor” means a person in respect of whom, or a subject in respect of which, consent has been given for the removal of tissue from his body;

“guardian” means a person who is acting as *guardian ad litem* in relation to

- (a) a minor; or
- (b) a person who is incapable of
  - (i) acting;
  - (ii) making decisions;
  - (iii) communicating decisions;
  - (iv) understanding decisions; or
  - (v) retaining the memory of decisions,

by reason of mental disorder or inability to communicate;

“hospital”

- (a) has the meaning assigned to it by section 2 of the *Queen Elizabeth Hospital Act, Cap. 54*; and
- (b) includes health services institutions approved by the Minister under section 3;

“medical advice” includes advice on the removal and transplantation of tissue including the procedure, benefits and risks;

“medical practitioner” means a registered medical practitioner within the meaning of the *Medical Profession Act, 2011 (Act 2011-1)*;

“Minister” means the Minister responsible for Health;

“next of kin” means, in descending order of priority,

- (a) a spouse;
- (b) the eldest child who is not a minor;
- (c) a parent or guardian; or

(d) the eldest brother or sister who is not a minor;

“non-regenerative tissue” means tissue, other than regenerative tissue;

“regenerative tissue” means tissue that, after injury within or after removal from the body of a living person, is replaced in the person’s body by natural processes;

“Registry” means the National Donor and Transplantation Registry established by section 7;

“spouse” has the meaning assigned to it by the *Family Law Act*, Cap. 214;

“therapeutic purposes” includes transplant purposes;

“tissue” includes an organ or other part of a part of a human body, a cell, a stem cell and any substance extracted from the human body including biofluid, but does not include

(a) spermatozoa or ova;

(b) an embryo or a foetus or a part of an embryo or a foetus; or

(c) blood or a blood constituent;

“transplant” means the removal of tissue from a human body, whether living or dead, and its implantation into a living human body;

“transplant team” means the medical professionals and their assistants responsible for the procedures relating to tissue transplantation.

PART II

ADMINISTRATION

**Approval of health service institution**

- 3.(1) The Minister may approve, in writing, hospitals within the definition of health services institutions in section 2 of the *Health Services Act*, Cap. 44, as hospitals for the purposes of this Act.
- (2) The Minister may prescribe the conditions with which a health service institution approved under this section shall comply.

**Establishment of Council**

- 4.(1) There is established a council to be known as the National Transplantation Council.
- (2) The provisions of the *First Schedule* shall have effect with respect to the constitution of the Council and otherwise in relation thereto.
- (3) The Council shall be a body corporate to which the provisions of section 21 of the *Interpretation Act*, Cap. 1 shall apply.

**Functions of the Council**

5. The functions of the Council are as follows:
- (a) to advise the Minister on changes and proposed changes to the legislation governing human tissue transplantation in Barbados;
  - (b) to provide advice and guidance to medical practitioners engaged in human tissue transplantation on issues that arise in
    - (i) the allocation of organs to recipients;
    - (ii) the selection of donors;

- (iii) proposed new or novel programmes of transplantation in Barbados; and
- (iv) the removal of tissue after death;
- (c) to approve the qualifications, experience and character of persons proposed for appointment under this Act;
- (d) to enquire into and report on any issue related to human tissue transplantation that has been referred to it by
  - (i) any officer named in this Act or regulations made under this Act;
  - (ii) any registered professional engaged in human tissue transplantation;
  - (iii) any recipient or potential recipient resident in Barbados; or
  - (iv) the Minister;
- (e) to consider and advise on any matter related to human tissue transplantation that is brought to its attention in writing by a member of the public; and
- (f) to seek advice on any matter relating to human tissue transplantation from any source, whether within or outside Barbados.

**Designated transplant officers**

6.(1) The Chief Medical Officer may in writing nominate a person with that person's consent to be a designated transplant officer of a hospital for a period not exceeding 2 years.

(2) The name of the person nominated under subsection (1) shall be submitted to the Council and the Council, on being satisfied of the person's suitability to be a designated transplant officer

- (a) shall, in the case of the Queen Elizabeth Hospital, assign the person; and

- (b) may, in any other case, give its approval for the assignment of the person

as the designated transplant officer for the hospital concerned.

- (3) A designated transplant officer shall perform the functions of a transplant coordinator and a transplant procurement manager and shall

- (a) ensure that the donation of tissue is transparent and non-coercive and complies with this Act and any regulations under this Act; and
- (b) act as an advocate on behalf of the donor, his guardian or his next of kin, as the case requires.

- (4) The Council, on the advice of the Chief Medical Officer, may

- (a) in the case of the Queen Elizabeth Hospital, revoke the appointment of a designated transplant officer; and
- (b) in any other case, withdraw its approval and recommend the revocation of the assignment of the person as a designated transplant officer.

- (5) A designated transplant officer shall not participate in any of the medical procedures involved in the removal of tissue from, or transplant of tissue into, the body of a person to whom Parts IV, V, VI and VII apply.

PART III

NATIONAL DONOR AND TRANSPLANTATION REGISTRY ETC.

**Establishment of Registry**

7.(1) The Minister shall cause to be established a registry, to be known as the National Donor and Transplantation Registry, which shall contain the following information:

- (a) the name, address and contact information of each donor, and a record the consent given for the tissue to be donated and any amendment or withdrawal of such consent;
- (b) the name, address and contact information of each patient awaiting a transplantation, and the tissue involved;
- (c) the name, address and contact information of each patient who received a transplantation, and the tissue involved; and
- (d) such other information as the Minister considers appropriate.

(2) The Registry shall be maintained and managed by the Council.

**Public education program**

8. The Council shall establish a program to educate the public on

- (a) human tissue transplantation, and its uses and benefits; and
- (b) the importance of registering for the donation of tissue.

**Allocation of tissue**

9.(1) The Council shall establish

- (a) medical criteria for the allocation of tissue; and

- (b) a fair, equitable and transparent system for such allocation to patients awaiting transplantations in accordance with such regulations as the Minister may prescribe.
- (2) No person shall be denied inclusion in the Registry as a patient awaiting a transplantation or given priority or disadvantaged in the allocation of tissue, on any ground set out in subsection (3), unless such consideration is demonstrably required for clinical compatibility or transplantation success.
- (3) The grounds referred to in subsection (2) are having
  - (a) a disability; or
  - (b) a medical condition.
- (4) Any person who contravenes subsection (2) is guilty of an offence and is liable on summary conviction to a fine of \$50 000 or to imprisonment for a term of 2 years or to both.

#### PART IV

#### DONATION OF TISSUE BY ADULTS

##### **Donation of regenerative tissue by adults**

**10.(1)** Subject to this Act, a person

- (a) who is at least 18 years of age and of full capacity; or
- (b) who, if he is a minor, is married or is a parent

may, in consideration of medical advice given to him by a medical practitioner in writing signed by him in the presence of a designated transplant officer, consent to the removal of regenerative tissue specified in the consent for the purposes specified in subsection (2).

- (2) The purposes referred to in subsection (1) are
  - (a) the transplantation of the tissue into the body of another living person; and
  - (b) any other therapeutic, medical or scientific purpose.
- (3) A donor may, at any time before the removal of the regenerative tissue to which the consent applies, withdraw his consent orally or in writing.
- (4) The designated transplant officer shall, before removal of the regenerative tissue, certify in the form set out as Form A in the *Second Schedule*, that
  - (a) all requirements referred to in subsections (1) and (2) have been complied with; and
  - (b) he explained to the donor the implications of removal of regenerative tissue from the donor's body and the donor consented to the removal of the tissue.

**Effect of consent under section 10**

**11.** A subsisting consent under section 10(1) and the certification under section 10(4), shall be sufficient authority for a medical practitioner to refer the case to the transplant team for transplantation of tissue.

**Donation of non-regenerative tissue by adults**

**12.(1)** A person described in section 10(1) may, in writing signed by him in the presence of a designated transplant officer, consent to the removal of non-regenerative tissue from his body after the expiration of a period of at least 24 hours from the time at which the consent is signed, for the purpose of the transplantation of the tissue into the body of another living person.

(2) A person who has given consent referred to in subsection (1) may, at any time before the removal of the non-regenerative tissue to which the consent applies, withdraw his consent orally or in writing.

(3) Every designated transplant officer shall, before removal of non-regenerative tissue, certify in the form set out as Form A in the *Second Schedule* that

- (a) all requirements referred to in subsection (1) have been complied with;
- (b) he explained to the donor the implications of removal of the non-regenerative tissue from the donor's body; and
- (c) the donor clearly stated that he understood the implications.

**Effect of consent under section 12**

**13.** A subsisting consent under section 12(1) and certification under section 12(3), shall be sufficient authority for a medical practitioner to refer the case to the transplant team within 2 weeks of the date at which the consent was given.

PART V

DONATION OF TISSUE BY MINORS ETC.

**Prohibition of removal of non-regenerative tissue**

**14.** Subject to sections 12 and 14, no person may remove or consent to the removal of non-regenerative tissue from the body of a living minor for

- (a) the purpose of transplantation of such non-regenerative tissue into the body of another living person; or
- (b) use for any other therapeutic, medical or scientific purpose.

**Removal of regenerative tissue where minor understands**

**15.(1)** A parent or guardian of a minor may consent in writing to the removal of regenerative tissue specified in the consent given by the parent or guardian

from the body of the minor for the purpose of transplantation into the body of a brother, sister or parent of the minor, where

- (a) the parent or guardian has obtained medical advice from a medical practitioner, other than the medical practitioner tasked to transplant the tissue, regarding the nature and effect of the removal of the tissue and the nature of the transplantation;
- (b) the minor has the mental capacity to understand the nature and effect of removal and the nature of the transplantation; and
- (c) the minor has consented to the removal of the regenerative tissue for the purpose of its transplantation into the body of the person receiving the tissue.

(2) The consent referred to in subsection (1) shall be in the form set out as Form B in the *Second Schedule*.

(3) A person who has given consent referred to in subsection (1) may, at any time before the removal of the regenerative tissue to which the consent applies, withdraw his consent orally or in writing.

(4) In this section, reference to a parent or guardian of a minor does not include a person standing in *loco parentis* to the minor.

(5) The designated transplant officer shall, before the removal of tissue by a medical practitioner, certify in the form set out as Form C in the *Second Schedule* that

- (a) all requirements referred to in subsection (1) have been complied with;
- (b) he explained to the parent or guardian the implications of removal of the regenerative tissue from the body of the minor; and
- (c) the parent or guardian understood the implications of the removal of regenerative tissue from the body of the minor and the minor has consented to the removal.

**Effect of consent under section 15**

**16.** The following shall be sufficient authority for a transplant team to remove regenerative tissue from the body of a minor:

- (a) the consent given by
  - (i) the parent or guardian of the minor; and
  - (ii) the minor under section 15(1)(c); and
- (b) the certification given under section 15(5),

unless the consent of the parent or guardian or the consent of the minor was withdrawn at any time prior to the removal.

**Removal of regenerative tissue where minor does not have the capacity to understand the procedure or give consent to it**

**17.(1)** A parent or guardian of a minor may consent in writing to the removal of regenerative tissue specified in the consent from the body of the minor for the purpose of transplantation into the body of a brother, sister or parent of the minor, where

- (a) medical advice from a medical practitioner, other than the medical practitioner tasked to transplant the tissue, regarding the nature and effect of the removal of the tissue and the nature of the transplantation is obtained;
- (b) the minor is not capable of understanding the nature and effect of the removal of tissue and the nature of transplantation; and
- (c) a medical practitioner, other than the medical practitioner tasked to transplant the tissue, certifies in writing the medical reason for the transplant.

(2) The consent of the parent or guardian referred to in subsection (1) shall be in the form set out as Form D in the *Second Schedule* and certification referred

to in subsection (1)(c) shall be in the form set out as Form E in the *Second Schedule*.

(3) A person who has given a consent referred to in subsection (1) may, at any time before the removal of the regenerative tissue to which the consent applies, withdraw his consent orally or in writing.

(4) In this section, a reference to a parent or guardian of the minor does not include a person standing in *loco parentis* to the minor.

(5) The designated transplant officer shall, before the removal of tissue by the medical practitioner, certify in the form set out as Form F in the *Second Schedule* that

- (a) all the requirements referred to in subsection (1) have been complied with;
- (b) he explained to the parent or guardian of the minor the implications of removal of regenerative tissue from the body of the minor; and
- (c) the parent or guardian clearly understood the implications of the removal of regenerative tissue from the body of the minor.

#### **Effect of consent under section 17**

**18.** A subsisting consent given by the parent or guardian of the minor and the certification by the medical practitioner under section 17(1)(c) and the certification under section 17(5), shall be sufficient authority for the transplant team to remove the regenerative tissue from the body of the minor.

#### **Removal of tissue from and transplantation of tissue into a living person**

**19.(1)** A person may consent in writing to the removal of regenerative tissue from his body or to the transplantation of regenerative tissue into his body if

- (a) medical advice from a medical practitioner, other than the medical practitioner tasked to remove or transplant the tissue, as the case may

be, regarding the nature and effect of the removal of the tissue and the nature and effect of the transplantation is obtained; and

- (b) a medical practitioner, other than the medical practitioner tasked to remove or to transplant the tissue, as the case may be, certifies in writing the medical reason for the removal or transplant.

(2) The certificate of the medical practitioner referred to in subsection (1)(b) shall be in the form set out as Form G in the *Second Schedule*.

### **Withdrawal of consent**

**20.** Consent given under this Act may be withdrawn in the form set out as Form H in the *Second Schedule*.

## PART VI

### PAIRED TISSUE DONATION

#### **Paired tissue donation**

**21.** Notwithstanding any other provision of this Act, tissue may be donated and received for transplantation where

- (a) a group of donors and patients awaiting transplantations contains pairs of donors and patients who satisfy the following criteria:
  - (i) a donor (referred to as the first donor) desires to donate tissue to a specific patient (referred to as the first patient) but is biologically incompatible as a donor for the first patient; and
  - (ii) another donor (referred to as the second donor) desires to donate tissue to another specific patient (referred to as the second patient) but is biologically incompatible as a donor for the second patient; and

- (iii) the first donor is biologically compatible as a donor for the second patient and the second donor is biologically compatible as a donor for the first patient;
- (b) the donors and patients in the group enter into a single agreement to donate and receive tissue according to the biological compatibility in the group; and
- (c) other than as described in paragraph (b), no valuable consideration is knowingly acquired, received or otherwise transferred with respect to the tissue.

**Council to be notified of paired donation agreement**

**22.** The Council shall be notified each agreement entered into pursuant to section 21; and no transplantation shall be conducted under that section in the absence of such notification

PART VII

DONATION OF TISSUE AFTER DEATH

**Interpretation and application of Part VII**

**23.(1)** In this Part,

“subject” means, in relation to tissue transplantation, the body of a person who has died;

“consent” means, for the purpose of sections 24 and 25

- (a) written consent
  - (i) signed by a person at any time during his lifetime in the presence of at least one witness who attests the signature;

- (ii) signed at the direction of a person at any time during his lifetime, in his presence and in the presence of at least one witness who attests the signature;
    - (iii) signed, where a person has not given consent and has died or is, in the opinion of a medical practitioner, incapable of giving consent by reason of injury or disease, and his death is imminent, by the next of kin of the person;
  - (b) consent, orally or by gestures, given in the presence of at least 2 witnesses
    - (i) by a person at any time during his lifetime; or
    - (ii) where a person has not given consent and has died or is, in the opinion of a medical practitioner, incapable of giving consent by reason of injury or disease, and his death is imminent, by the next of kin of the person;
  - (c) consent given
    - (i) by a person at any time during his lifetime; or
    - (ii) where a person has not given consent and has died or is, in the opinion of a medical practitioner, incapable of giving consent by reason of injury or disease, and his death is imminent, by the next of kin of the person, and recorded electronically.
- (2) Consent to the donation of tissue under this Part may be given generally or in relation to specific tissue or a specific purpose or use of the tissue.
- (3) A person shall not give consent under this Part where the person has reason to believe that the person who died or whose death is imminent would have objected to the giving of consent.

**Removal and use of tissue after death**

**24.** Subject to sections 25 and 28, a designated transplant officer may, in the form set out as Form I in the *Second Schedule*, authorize for the purposes of this section, the removal of tissue from a subject, for

- (a) the transplantation of the tissue into the body of a living person; or
- (b) the use of the tissue for other therapeutic, medical or scientific purposes.

**Conditions under which designated transplant officer may exercise authority**

**25.(1)** The authorization referred to in section 24 shall only be given where, after making such inquiries as are reasonable in the circumstances, a designated transplant officer

- (a) is satisfied that consent to the removal of tissue from the subject for a purpose referred to in section 24 and has been given and has not been withdrawn; and
- (b) has no reason to believe that the person whose body has become the subject, during his lifetime expressed an objection to the removal of tissue from his body after his death for a purpose referred to in section 24.

(2) The authorization of a designated transplant officer under section 24 shall be restricted by the expressed terms of the consent given both as to the tissue which may be removed and the purpose or use of the tissue.

(3) Where a person has not given consent to the removal of tissue from his body after death and has died or is, in the opinion of a medical practitioner, incapable of giving consent by reason of injury or disease, and his death is imminent, the next of kin of the person may make it known to a designated transplant officer that the next of kin consents to such removal of tissue, after the death of the person, for a purpose referred to in section 24.

**Removal of tissue only after death**

**26.** No tissue may be removed from the body of the donor under this Part until death has occurred.

**When death occurs**

**27.(1)** For the purposes of this Part, a person is dead when there has occurred

(a) irreversible cessation of circulation of blood in the body of that person;  
or

(b) irreversible cessation of all functions of the brain stem of that person.

(2) Death shall be determined by 2 medical practitioners on the staff of the relevant hospital, in accordance with the prescribed criteria, except that

(a) no medical practitioner who has a familial or professional relationship with the proposed recipient shall take any part in the determination of the fact of the death of the donor of the tissue;

(b) no medical practitioner who had taken part in the determination of death under paragraph (a) shall participate in the transplantation of the tissue to the recipient; and

(c) if the tissue is to be removed for therapeutic purposes, no medical practitioner who is due to remove or transplant the tissue, may determine the occurrence of death or may be part of any transplant team by whom, or process by which, death is determined.

**Concurrence of coroner**

**28.(1)** Where a designated transplant officer has reason to believe that the circumstances applicable to the death of a person are such that a coroner has jurisdiction to hold an inquest into the manner and cause of death of the person under the *Coroner's Act*, Cap. 113, the designated transplant officer shall not authorize the removal of tissue from the body of the deceased person, unless the coroner has stated that he has no objection to the removal.

- (2) Subsection (1) does not apply where the coroner, after the death of a person states that he has no objection to the removal of tissue from the body of the person.
- (3) A statement by a coroner under this section shall be
  - (a) in writing; and
  - (b) subject to such conditions as are specified in the statement.

## PART VIII

### PROHIBITION ON TRADING IN HUMAN TISSUE

#### **Trade in human tissue prohibited**

- 29.(1)** No person shall remove or cause tissue to be removed from the body of a donor for the purposes of trading that tissue for valuable consideration.
- (2) Subject to this section, any contract or arrangement under which a person agrees, for valuable consideration, whether given or to be given to himself or to another person, for the sale or supply of any tissue from his body or from the body of another person, whether before or after his death or the death of the other person, as the case may be, is void.
- (3) A person who contravenes subsection (1) or enters into a contract or arrangement of the kind referred to in subsection (2), is guilty of an offence and is liable on summary conviction to a fine of \$50 000 or imprisonment for a term of 2 years or to both.

#### **Advertisement relating to buying or selling of tissue prohibited**

- 30.(1)** No person shall issue or cause to be issued any advertisement relating to the buying or selling of any tissue from the body of a person.
- (2) A person who contravenes subsection (1) is guilty of an offence and is liable on summary conviction to a fine of \$50 000 or to imprisonment for a term of 2 years or to both.

PART IX

MISCELLANEOUS

**Exemption from liability**

**31.** No personal liability attaches to any medical practitioner or other person for anything done in good faith in the exercise of his authority under this Act.

**Limitation on application of Act**

**32.** Nothing in this Act applies to,

- (a) the removal of any tissue from the body of a living person in the course of a procedure or operation carried out in the interest of the health of the person by a medical practitioner with the consent given by or on behalf of the person or in circumstances necessary for the preservation of the life of a person by the use of any tissue so removed;
- (b) the removal of any tissue from the body of a deceased person during the course of a post-mortem examination;
- (c) the embalming of the body of a deceased person; or
- (d) the preparation, including the restoration of any disfigurement or mutilation, of the body of a deceased person for the purpose of interment or cremation.

**Offences in relation to removal of tissue**

**33.(1)** No person shall remove or cause to be removed any tissue from the body of a deceased person, except in accordance with this Act.

(2) No person shall, except for a purpose specified in this Act, remove or cause to be removed any tissue from the body of a living person.

(3) Any person who contravenes this section is guilty of an offence and is liable on summary conviction to a fine of \$100 000 or to imprisonment for a term of 5 years or to both.

**Offences in relation to removal of tissue for gain or profit**

**34.(1)** Any person who removes tissue from the body of a donor for valuable consideration is guilty of an offence and is liable on conviction on indictment to a fine of \$500 000 or to imprisonment for a term of 7 years or to both.

(2) Where a designated transplant officer is convicted under subsection (1), in addition to the penalty imposed, his appointment as designated transplant officer shall be revoked.

**Disclosure of information**

**35.(1)** Notwithstanding any other law to the contrary and subject to this section, no person shall, by any means whatsoever, make known to the public the identity of any other person

- (a) from whose body any tissue has been removed for the purpose of transplantation;
- (b) with respect to whom a consent or authority has been given under this Act; or
- (c) into whose body any tissue has been, or is being transplanted.

(2) Subsection (1) shall not apply in relation to any information disclosed

- (a) in pursuance of an order of a court;
- (b) for the purposes of continued care or *bona fide* medical research; or
- (c) with the consent of the person to whom the information relates.

(3) Any person who contravenes subsection (1) is guilty of an offence and is liable on summary conviction to a fine of \$50 000 or to imprisonment for a term of 2 years or to both.

### **Regulations**

- 36.** The Minister may make regulations
- (a) for matters that are authorized or required by this Act to be prescribed;
  - (b) for the screening and testing of tissue before and after removal from a body;
  - (c) for the transportation, storage and handling of tissue;
  - (d) for the conditions subject to which transplantation of tissue shall be carried out;
  - (e) for the criteria for determining the irreversible cessation of all functions of the brain stem of a person;
  - (f) for the allocation of tissue;
  - (g) for the importation and exportation of tissue; and
  - (h) generally for matters that are necessary or convenient for carrying out the purposes of or giving effect to this Act.

### **Amendment of Schedules**

- 37.** The Minister may by Order amend the *Schedules* to this Act.

### **Commencement**

- 38.** This Act shall come into operation on a date to be fixed by Proclamation.

**FIRST SCHEDULE**

*(Section 4(2))*

*CONSTITUTION OF NATIONAL TRANSPLANTATION COUNCIL*

- 1.** The National Transplantation Council shall comprise the following persons who shall be appointed by the Minister:
  - (a)* the Chief Medical Officer;
  - (b)* the Director of Medical Services at the Queen Elizabeth Hospital;
  - (c)* a medical practitioner with knowledge of human tissue transplantation, on the nomination of the Barbados Association of Medical Practitioners;
  - (d)* an individual who is qualified or otherwise experienced in bioethics;
  - (e)* a nurse, on the nomination of the Barbados Nurses Association;
  - (f)* an attorney-at-law of at least 10 years standing with medico-legal knowledge, on the nomination of the Barbados Bar Association;
  - (g)* a nominee of a Non-Governmental Organization with an interest in human tissue transplantation; and
  - (h)* a beneficiary of human tissue transplantation or a donor of human tissue.
