2. Basis of preparation

The abridged non-consolidated financial statements are prepared in accordance with the Guideline on the Publication of Abridged Financial Statements issued by the Central Bank of Trinidad and Tobago. The abridged non-consolidated financial statements are derived from the Company's non-consolidated audited financial statements which are prepared in accordance with IFRS Accounting Standards ("IFRS"). The abridged non-consolidated statement of financial position as at 31 December 2025 and abridged non-consolidated statements of income, comprehensive income, changes in equity and cash flows for the year then ended were exactly re-produced from the Company's audited non-consolidated financial statements. However, the disclosures within the abridged non-consolidated financial statements were limited to disclosures that were deemed material and necessary to present a true and fair view of the Company's performance through a succinct lens.

The abridged non-consolidated financial statements have been prepared in accordance with the accounting policies set out in the respective notes of the audited non-consolidated financial statements consistently applied from period to period. All new and amended accounting standards and interpretations that are mandatory for the periods disclosed and which are relevant to the Company, have been adopted.

3. Functional and presentation currency

Items included in the Company's abridged non-consolidated financial statements are measured using the currency of the primary economic environment in which the entity operates (the 'functional' currency). The abridged non-consolidated financial statements are presented in Trinidad and Tobago dollars, rounded to the nearest thousand, which is the Company's functional and presentation currency.

4. Contingencies
Legal proceedings

The Company, like all other insurers, is subject to litigation in the normal course of business. The Company does not believe that such litigation will have a material effect on its profit or loss and financial condition. However, the recent trend of increasing jury awards and settlements makes it more difficult to assess the ultimate outcome of such litigation.

5. Related party transactions

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. The following transactions were entered into with subsidiaries within the Guardian Holdings Group in the normal course of business.

	2025	2024

Dividends

On 24 February 2026, the Board of Directors declared a final dividend of \$7.63 per share (2024 - \$5.72), a total dividend to be paid of \$24 million (2024: \$18 million). These non-consolidated financial statements do not reflect the final dividend which will be accounted for as an appropriation of retained earnings in the year ending 31 December 2025.

Change in financial year-end

On 26 February 2026, the Board of Directors of Guardian Holdings Limited approved a change in the financial year-end of the Group from 31 December to 30 September, effective 1 January 2026. The change was made to align the Company's reporting period with that of its parent company.

As a result of this change, the next non-consolidated year-end financial statements will be prepared for a nine-month period from 1 January 2026 to 30 September 2026. Comparative information presented will cover the twelve-month period from 1 January 2025 to 31 December 2025 and therefore will not be directly comparable with the current period.

The change in financial year-end does not result in any changes to the Company's accounting policies, nor does it have an impact on the Company's critical accounting estimates and judgements.
