We have audited the accompanying statement of receipts and disbursements and surplus funds of Christ Church Foundation School - General Account, Amalgamated Account, Amalgamated Funds Account, Foundation Scholarship Fund, Petty Fees Account, Text Book Loan Scheme Account, Francis Williams Trust Fund and Special Account for the year ended March 31, 2006, and a summary of significant accounting policies and other explanatory notes.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements on a cash basis. On this basis, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when incurred. Management is also responsible for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of these financial statements and to ensure that they are free from material misstatement, whether due to fraud or error; and selecting and applying appropriate accounting policies.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

stes to the Statement of Receipts and Disbursements and Surplus Funds

### March 31, 2006

(expressed in Barbados dollars)

### 1 Principal accounting policy

### a) Basis of preparation

The statements of receipts and disbursements have been prepared on the cash basis of accounting. On this basis, revenue is recognised when received, rather that when earned and expenses are recognised when paid, rather than when incurred.

### b) Plant, equipment and furniture

The cost of plant, equipment and furniture is written off in the year in which the cash is disbursed.

### c) Capital grants

Legislative grants include grants for the acquisition of plant, equipment and furniture. Such grants are included in the statement of receipts and disbursements when the cash is received.

### 2 Details of approved estimates and disbursements
